## Value Of Red Cross Here Revealed

Annual Reports Show Many Activities—Officers Are Elected.

A splendid record of service to the community was set forth at the annual meeting of the American Red Cross Monday night at the city hall, with a good attendance turning out to hear reports of the various committees and an inspiring message on Red Cross service by Mrs. Esther Chadbourne, field secretary from San Francisco, as well as election of officers for the year.

Junior Red Cross activities for the year, under the direction of Miss Elizabeth Steinberger, were given by two charming school girls, Joan Woehler and Alice Burnham, who spoke on the work the Juniors have done at the grammar school. Future plans include organization of a Junior club and sending valentines to the sick of Sierra Madre.

The production committee report was read by Mrs. H. C. Lieben, and the first aid report by Joe Swanson, who stated that in 1938 the pulmometer was used on only two occasions. In giving the home hygiene report Mrs. Augusta Coats stressed the fact that both home hygiene and care of the sick were covered by her classes. James C. Heasley, in charge of swimming and life saving, told of swimming classes conducted at the Canyon plunge last summer where many were taught to swim and instructed in life saving.

C. W. Jones read the roll call report which totalled 622 members contributing \$950.29. Mr. Jones gave the financial report, stating that the local chapter started in 1939 with approximately \$700 in the treasury, "a hopeful financial position for the coming year."

Miss Louise Judson, secretary, gave the welfare report, stating that 56 families in Sierra Madre received emergency aid, with an average of 15 people in the office every day seeking aid.

Quoting almost staggering figures, the speaker had many things to say about the exposition which opened February 18. Five million more people than usual are expected to visit California this summer and 90 percent will journey down to southern California either coming or going. Fortune Magazine has estimated the probable attendance at 22½ million people. Forty-one countries besides the United States will be represented at the exposition with treasures never before exhibited to be placed on display. Mr. Peterson showed very lovely colored pictures showing the development of Treasure Island.

Executive officers elected were C. W. Jones, chairman; Capt. E. G. Everett, vice-chairman; Miss Louise Judson, executive secretary; and Thomas Schwartz, treasurer. The executive committee consists of Mrs. C. W. Bowen, Miss Miriam Vanner and Mrs. M. D. Welsher.

Directors for 1939 are Mrs. Yerda Adams, Mrs. Claude E. Allen, Mrs. Nancy Beuhring, Mrs. C. W. Bowen, Mrs. W. Jarvis Barlow, R. O. Caukin, Mrs. Augusta Coats, Mrs. Edith Drake, Capt. E. G. Everett, Miss Edna Green, Miss Daisy Hawks, Rev. W. B. Heagerty, W. S. Hull, Mrs. Hortense Hill, Mrs. Edna Holland, Mrs. Grice J. Hall, James Heasley, C. W. Jones, Miss Louise Judson, Mrs. H. C. Lieben, J. D. McAndrews, T. W. Neale, Rev. A. O. Pritchard, W. D. Richards, Mrs. Margaret Senour, Mrs. Madelaine Smith, Miss Elizabeth Steinberger, Mrs. Frank Spencer, Joe Swanson, Thomas Schwartz, Mrs. E. R. Thompson, Miss Marian Vanner, Mrs. J. H. Wright and Mrs. M. D. Welsher.

A vital talk by Mrs. Chadbourne closed the program.

**Scouts Will Celebrate Birthday**

Boy Scouts, former and active, all over the country will celebrate the movement's twenty-ninth birthday celebration from February 8 to 14. More than 8,000,000 strong, Scouts will take a lively interest in the activities of the celebration, each day being set aside for special features.

February 8, the birthday proper, all Scouts will be expected to re-pledge themselves to the Scout promise. February 9 has been named Scout Citizenship Day when, in school and civic programs, Scouts will demonstrate the contributions they are making to civic life. Friday, February 10, will be Scout Brotherhood day, when every scout troop meeting that night has been urged to have Scout guests from one or more other troops. Scout Service Day, February 11; Scout Church Day, February 12, and Scout Dedication Day, February 13, have special programs planned for nation-wide participation.

The final day of Boy Scout week, February 14, will be devoted to events showing Scouting's contributions to American life as a leisure-time program offering boys and young men wholesome recreation, and has been designated as Scout Fun Day.

## Second Attempt Of Woman To End Life Is Successful

Mrs. Luz Lopez, 46, of 38 Auburn avenue, collapsed in a neighbor's house Saturday night a few minutes after taking poison and died in a Pasadena hospital shortly after. Police were called about 7 o'clock to the home of Jennie Haines, 36 Auburn avenue, who said Mrs. Lopez came into her home a few minutes before and said she had taken poison. Mrs. Lopez was unconscious when police arrived. Dr. E. L. Jackson was called and ordered her immediate removal to the hospital where she died.

The deceased is survived by her husband, Antonio, and a stepson, Antonio, Jr. On June 5, 1938, she took poison in an unsuccessful attempt to commit suicide.

## Fair Means Much To All Communities

### Sierra Madreans Told Importance Of Golden Gate Exposition To Southland

If Sierra Madre is going to get her hands on any part of the millions of dollars that will be spent by tourists who visit the San Francisco World's fair, and southern California, she must take definite action toward this end, Frank Peterson, chairman of the speakers bureau of the exposition, stated in his talk at the Wistaria Vine Gardens Sunday night.

Taking as an example the Vine Gardens, Mr. Peterson declared that the city has a splendid medium for publicity, and suggested that the local Chamber of Commerce advertise the Vine at the Fair, using it as a drawing card to attract tourists to Sierra Madre.

Quoting almost staggering figures, the speaker had many things to say about the exposition which opened February 18.

Five million more people than usual are expected to visit California this summer and 90 percent will journey down to southern California either coming or going. Fortune Magazine has estimated the probable attendance at 22½ million people. Forty-one countries besides the United States will be represented at the exposition with treasures never before exhibited to be placed on display. Mr. Peterson showed very lovely colored pictures showing the development of Treasure Island.

**City Is Responding To Dime Drive For Paralysis Victims**

Sierra Madreans have responded generously to the infantile paralysis fund drive, Mrs. Grace Caukin reports. Each morning during the week Mrs. Caukin has sold buttons from her table in front of the Sierra Madre Savings Bank. This city is one of many in the San Gabriel Valley that is making a concerted drive to raise the largest sum possible for the prevention and eradication of the dread disease.

### Council Refuses To Change Drainage In North Area

Responsibility for water runoff conditions for which the city is now responsible in the West Carter avenue-Lima street area was assumed by the city council Tuesday evening following an hour's discussion of a request by Prof. Oskar Selling and some of his neighbors for the closing of an underground drain pipe.

They wished the water carried through this pipe diverted into Carter avenue. City engineers held this would be a diversion of natural drainage channels that might make the city liable for storm damage south of Carter avenue.

Council voted to continue present conditions for the present.

City Attorney Walter Dunn advised the council settlement of Henry Gierlich's suit for compensation as an engineer on the Central avenue extension project had been settled as the council directed.

Appointment of Dr. J. P. Donegan as a special officer to serve without salary was approved.

A resolution expressing the city's appreciation to the County Planning Commission for the services of its planning engineer, Kenneth Sampson, in preparation of the city's new zoning ordinance was adopted.

### Churchmen To Hear Of Conditions In Fear Torn Europe

The Congregational Church members and friends are preparing for a pot-luck dinner on Tuesday evening at 6:30. Present day activities in Mediterranean countries will be told by Delbert Keith Harter of Pasadena. Mr. Harter has just returned from Europe and tells his story in a sparkling and fascinating manner. Reservations may be made with Mrs. Lord, 1761.

## Many Mourn Passing Of Louis Fuller

### Patron Of The Arts Succumbs To Heart Attack At His Residence Here

Sierra Madreans, young and old, mourned the sudden passing of their friend and advisor, Louis de S. Fuller, on Monday. His kindness and help to young people endeared him to all and during his seven years' residence in the city, he made many close friends.

Mr. Fuller succumbed to a heart attack at his residence, 659 West Montecito avenue. He was born in Charleston, North Carolina, 49 years ago, and had lived in California for 17 years. A lover of all beautiful things, he was much interested in music and art, and contributed articles to musical journals, with his artistic talent portrayed in many outstanding paintings. Mr. Fuller was an insurance expert—his work having to do with the reinsurance of insurance companies.

Citizens of Sierra Madre knew him best for his work in organizing tennis tournaments in the city. An excellent player himself he was a member of the United States Tennis Umpires' Association. He also was very active in the Sierra Madre chapter of the American Red Cross.

Mr. Fuller is survived by his wife, Grace A., and an uncle, Louis de Saussure, of Bergenfield, New Jersey. Memorial services were conducted Thursday afternoon at 2 o'clock in Grants Chapel with Dean Arnold Bode officiating.

### Observations

By Lee Shippey

**L**OUIS FULLER lived here only a few years. Many of us didn't know him. But those who did found renewal for their faith in human nature. Louis had only one steady job—to be kind and considerate and helpful. As soon as you met him you realized that there still are gentlemen in the world, believe it or not. When you got to know him you learned that unselfishness does exist outside of story books. All my life I will remember that modest, unassuming, quiet little man as one of the few one meets in a lifetime who are pure gold all through.

**City's Welfare Will Be Topic At Dinner Meeting Tuesday**

Civic leaders, business men and all forward-looking Sierra Madreans will be on hand Tuesday evening at Wistaria Vine Gardens to attend an intra-organization dinner meeting sponsored by the Chamber of Commerce. Secretary C. W. Kinneir predicted yesterday Moses Breeze will speak on "Building Community Goodwill."

Moses Breeze is acting pastor at an Azusa church and will be remembered by many for his constructive ideas presented at Associated Chamber of Commerce meetings.

A roll call of local organizations has been arranged and acknowledgments or messages from the various businesses in the city promises to be most interesting. A musical program will also be arranged.

Committee heads and plans for the year's work will be discussed at the meeting, with newly-elected President William Burr taking the gavel for the first time. Because table accommodations at Gardens are limited to 125, reservations must be in by Monday noon. Call Charles W. Kinneir, secretary, at 4852 or the Vine Gardens, 2763.

**Witness To Tell Of Hitler's March Into Old Vienna**

Having witnessed Hitler's entrance into Vienna, August Gorbach, president of the Regional Planning Association of Los Angeles County, will relate his reaction to this event of international significance at a Sunday supper-program at the Wistaria Vine Gardens Sunday, January 29th at 6:30 o'clock.

Mr. Gorbach recently returned from a world tour where he studied carefully the planning programs of many countries, particularly of Germany, France and Russia. Cities being rebuilt and modernized to conform with the present day standards of living in Europe, as well as new highway construction, overhead passes and other types of highway engineering and highway beautification will be discussed. The affair is open to the public and reservations for the supper may be made by calling 2673.

### SIERRA MADRE'S NEW MARKET

An interior view of the new Sierra Market, 58 West Sierra Madre blvd., shows the fruit and vegetable department in front, the grocery department at the back and the meat market with its very modern refrigerating plant, at the left side. John Spoelstra and Leo Cullum are managing the market and invite Sierra Madreans to stop in and look the place over. The Dell Smith Distributing Company of Los Angeles furnished and installed all Sierra Market equipment.

## Relief Plan Faces A Collapse

### Charities Director Astonishes Woman's Club With Facts

Quoting staggering figures of the cost of relief in Los Angeles county, Director Rex Thomson, of the department of charities, told the Woman's Club at its meeting here Wednesday that there is imminent danger of a tax strike that may cause the whole relief system to collapse. The remedies, he told his small but much interested audience, in increased federal and state appropriations, since this county is bearing the brunt of the influx of dependents from other states and communities.

Always interested, his hearers were often astounded as Mr. Thomson reeled off details of the relief problem he has to deal with and that the taxpayers have to pay for.

Relief, he pointed out, is in no sense a cure. The cost is mounting steadily to staggering heights. Families that a few years ago would have spurned charity are now confirmed charity cases. There has been a change in the trend, he intimated.

The county's wards are increasing astonishingly and in the face of this fact the matter of housing has become of paramount importance. Rents are increasing while condition of houses available for charity cases is becoming worse, due to the unwillingness of landlords to improve property occupied by relief clients. Under the circumstances it is becoming increasingly difficult to meet the State's housing requirements, with the result that large families are crowded into inadequate dwellings where ordinary sanitary conditions cannot be observed.

The commendable idea of housing relief clients in homes constructed by the county has been impossible of accomplishment because of opposing views for carrying through the project and the high values placed on real estate suitable for the purpose of its owners, Mr. Thomson said.

### AMAZING

**E**VERY citizen and taxpayer will be interested in the amazing facts and figures given in the address of Rex Thomson, director of the Los Angeles county department of charities before the Sierra Madre Woman's Club. His speech will appear in the next issue of *The Sierra Madre News*. Read it and be informed on the importance of this subject that vitally affects everyone.

(Editor's Note: The opinions

reflect the attitude or opinions  
of THE NEWS.)GOVERNMENT spending is  
looming larger and larger in  
the thinking of the American  
people, and rightly so, since  
it is the most vital question that  
confronts us. It is far more im-  
portant than "National defense,"  
because if we are menaced by the  
totalitarian states of the Old  
World, as the President indicates,  
the first requisite for National  
defense would be to set our own  
financial house in order.If it be true that we are about  
to be assailed by Germany,  
Italy, Russia or Japan, or all of  
them, then our own unsound finan-  
cial policy would be our most  
serious handicap.But it is not true. All these  
nations have plenty troubles on  
their hands now at home. None of  
them could attack us, much as  
they might desire to do so.The war scare, and the pro-  
posed two billion dollar defense

divert attention from our impend-

atrocious and shameful waste of  
the nation's resources. Give the

with another war emergency? We  
started the last one with a debt of  
only one billion dollars, from

that we are using up our priceless  
reserves of war credit without

their marriage relationships pro-  
foundly. This is not true of very  
rich people, who everywhere and in  
all ages have been given to di-  
vorce because they get a restless  
feeling that they can have every-  
thing of the best and that they had  
better get on with it before they die.  
So they pass from marriage to  
marriage just as they travel from  
country to country. It is also not  
true of very poor people, who ev-  
erywhere and in all ages cannot  
get divorced, because they cannot  
afford alimony. But it is true of  
the vast class that lies between  
these extremes.The English Victorian middle class  
practically never got divorced. They  
pretended it was because they were  
virtuous. But was it? If you go and  
look at the villas they lived in an alter-  
native explanation will occur to you.  
Those houses have three and four largesitting-rooms with maybe a billiard  
room as well, and eight or ten or more  
bedrooms, and good-sized gardens.  
Even allowing for their large families,  
they had plenty of room to get away  
from each other.When the husband and wife felt  
resentment against each other, he  
could go into his study on one  
story, she into her sewing room on  
another.Look out, California! A new  
migrant problem is headed this  
way. When the brakeman of a  
Westbound freight opened the  
door of a supposedly empty  
freight car—when it was stopped  
at Winslow, Arizona—out scram-  
bled 75 dogs. We sympathize with  
the inhabitants of Winslow whose  
town was temporarily closed by 75 as-  
sorted hobo mutts, but we are  
grateful they kept that hungry  
gang of itinerants off our hands.  
With Eastern dogs teaming up  
and hopping freights to spend  
their winters in California, there  
is only one answer. The border  
patrols must be strengthened atA decrease of 22 per cent in  
the number of home foreclosures  
by the Home Loan Bank during  
the first 11 months of 1938 is  
reported by the Board. Its fig-  
ures covered city and town resi-  
dential property.A Washington State Senator  
proposes that a sound-film pic-  
ture be made of proceedings in

the State Legislature, presumably

to permit the people in the home

town to see their favored rep-  
resentative in action—visible and  
audible. The possibilities of such an  
undertaking are not encour-  
aging. Look, there's Senator Sor-  
gham clearing his throat, ready  
to pounce to his feet with a one-  
hour speech and monopolize the  
film footage. But he won't get  
away with it! Senator Upperman  
has taken the floor with an  
hour and ten minute speech, amid  
the indignant cries of his com-  
petitors. Some representatives  
with a weakness for dramatizing  
themselves and intoning sonorous  
cadences would only be en-  
couraged in their weakness before  
a battery of cameras and micro-  
phones. After all, they can't fool  
the people back home who know  
there is only one way to test  
the merit of a speech. After  
listening to it, and perhaps be-  
ing carried away by its moving  
eloquence, to read it next day in  
cold print. That's the real test,  
and a far better gauge it is than  
a reel test!Safety campaigns carried on  
during 1938 by newspapers and  
the traffic education programs in  
schools made for greater safe-  
ty on the highways. There wasa decrease of 21 per cent in traf-  
fic accidents in 1938 under those

## WOMAN'S CLUB NOTES

EVERYONE interested in the trend of events with the growing increase in taxes and the demands for relief, should have heard the address of Rex Thomson, director of county charities department at Wednesday's club meeting.

It was one of the most interesting and informative talks ever delivered before the club, dealing with the biggest public question with which California and particularly Los Angeles county has to deal. A synopsis of Mr. Thomson's talk appears elsewhere in *The News*.

At the afternoon session Mrs. Lillian Parcell MacAllen, well known in literary circles here, read a group of original poems which were well received, and Mrs. Ruina Lawson of 49 South Hermosa street, a new member of the club, talked on the "Art of Coordination." Mrs. Lawson who was formerly in charge of the exercise department of the Elizabeth Arden Studios on Wilshire blvd., and has trained many of the younger motion picture stars, spoke of the necessity of balance and beauty in order to attain maximum mental and physical efficiency through the conservation of energy. A class under her direction will be formed at the club within a short time.

Mrs. Nell Vieira presented Miss Olive Sedgman in a group of songs and accompanied the singer at the piano.

A future program which is arousing much interest is that to be presented March 7th by Mrs. W. S. Hull who will speak on "Flower Arrangement," illustrating her talk with examples of Victorian, Modern and Japanese arrangements. Mrs. Hull has received instruction in flower arrangement from Miss Clara Cronenwett of Gold Hill, Monrovia, and Miss Akemi Togo of Los Angeles, and is thoroughly conversant with her subject and all of the new trends in floral art. At the afternoon session, Mrs. Hull will present Miss Florence Gilmore, interior decorator, who has chosen for her subject "Color through the Ages."

## Valentine Dance Is Planned By Junior Woman's Club

A Valentine dance is being planned by the new members of the Junior Woman's Club for Saturday evening, February 11, at the clubhouse. Each year the new girls are given an opportunity to show what they can do in the way of putting on a dance, so under the chairmanship of Mrs. Barbara Heasley, red hearts and cupids will cavort at the clubhouse to the tune of Gordon Shaffer and his orchestra. Hours will be from 9 to 1 o'clock, and the affair will be semi-formal.

### COME AS YOU ARE PARTY FOR THE WOMAN'S CLUB

Another "come as you are" party for the benefit of the Sierra Madre Woman's Club was given Friday by Mrs. C. H. Sandage and Mrs. Nestor Young at the home of Mrs. Young, 209 West Highland avenue.

**SUPPER PARTY FOLLOWS P.T.A. BENEFIT SHOW**  
Mr. and Mrs. Val Miller were hosts to a group of friends at a buffet supper party at their home Saturday evening following the P.T.A. show at the grammar school. Those who enjoyed the evening's festivities were Mr. and Mrs. Thomas Miller, Jr., Mr. and Mrs. Howard Miller, Mr. and Mrs. James Gingerich, Mr. and Mrs. Clarence Noshier, Miss Bernice Hatch, Mrs. Elsie Beebe, Miss Mazy.

### DINNER PARTY GIVEN FOR WINTER VISITORS

Mrs. Sirilla Schonung of La Canada, and Mrs. Bertha Durfee of Council Bluffs, Iowa, were guests with Dr. and Mrs. J. M. Donelan at a dinner party given Wednesday evening by Dr. and Mrs.

James P. Donelan at their home, 334 North Lima street, complimenting Dr. and Mrs. Donelan, Sr., who are here for the winter from Glenwood, Ohio.

### PREE-WEDDING SHOWER FOR MISS HELEN JACKSON

One of the most delightful events of the present season was a prewedding shower given Monday evening at the Woman's clubhouse by Mrs. C. H. Tugge and Miss Marjorie Bergien in honor of Miss Helen Jackson, popular member of the younger set whose engagement to George Thomas Tyler was announced during the holidays.

Sixty friends of the honoree were present and showered her with miscellaneous gifts which were arranged on four large tables in the tea room. The table was decorated with a profusion of lavender iris. Following opening of the gifts refreshments were served in the dining room at tables decorated with bowls of lavender iris, heather and primroses. Mrs. Tugge and Miss Bergien presided at the tables assisted by Mrs. Robert Newberry.

Miss Jackson was gowned in black Russian crepe and wore a corsage of gardenias and violets. Much gaiety was added to the occasion by a comic wedding ceremony which was performed by Miss Jane Colbert acting as the minister with Vl Vona Goings as bride, dressed in a net frock and carrying vegetable bouquet. Mrs. Richard Morago was groom. Mrs. Edith Gordon, matron of honor and Mrs. Ralph Tweddell "best man", Agnes McClellan, flower girl, and Marie Bergien represented Dr. E. L. Jackson.

### COLLEGE WOMEN GUESTS OF MRS. W. D. ANDREWS

## More than just "the kitchen"

Make yours a showplace  
with modern gas appliances

One of the cheeriest, brightest places in your house will be the cooking room when you "go modern" with gas. For the new gas ranges, refrigerators and water heaters gleam like polished china.

What is still better, today's gas ranges are cleaner in operation, too. They have burners that click to assure correct simmer setting and that enable you to avoid boil-

overs. Modern burners are non-clog and broilers are smokeless.

Why not let a dealer or one of your gas company's representatives discuss kitchen modernization with you—today or tomorrow? All appliances are available on easy payment plans.

### PEDESTRIAN INJURED CROSSING STREET

Attempting to cross Baldwin avenue in front of the postoffice at dusk Wednesday evening, William Buck, 361 Mariposa avenue, stepped in front of an automobile driven by Roy Carriere, 417 Sturtevant drive, and suffered slight injuries to his ankle, shoulder and hand.

Investigation by police showed that Carriere was driving south on Baldwin when Buck, with his two dogs, ran out from the curb into the street. Buck said he was looking south at an approaching car and when it passed, without glancing in the other direction stepped into the street with his dogs and was struck by Carriere's car. Carriere was not held responsible and Buck's injuries were treated by Dr. M. H. A. Peterson.

### POOL HALL NOW UNDER NEW MANAGEMENT

Management of the pool hall at 41 North Baldwin avenue changed hands Wednesday with W. E. Deutsch, former owner, selling out to L. H. Perry. The new owner plans to add another snooker table to the pool hall and will serve soft drinks. The pool hall opens at 9 a.m.

### FIRE FLAMES

By One of the Boys

THERE is always one thing we can almost figure on when the siren sounds. Somewhere on the truck will be a service station operator. It will be either "Shorty" Steinberger, "Shorty" Lovell, Andy Liscobne, Ralph Tweddell or Jimmy Heasley. Located at different sections of the city and all good firemen make them a great asset to the fire department. Steinberger knows the pumps. Lovell knows the location of the plugs by heart. Tweddell is a good nozzleman and Jimmie Heasley is tall enough to eliminate ladders, so what else could we ask.

At the fire the other day it was noticed that Councilman Schwartz was in the thick of the fray. It's too bad that now since Tom is in town and able to attend daytime fires that he has to be a councilman.

The way the calls are coming in for this early in the year, it looks like our few fire record is in danger. The many causes of fires shows that we cannot be too careful. Many people are careless about the cords leading to their reading lamps. Placing them under rugs where they are walked on is a very bad practice. A bare wire is a hazard. If wires need replacing, an electrician should be called. Perhaps other parts of your electrical equipment may need repairs. Once more the fire department would stress the importance of watching the hose connections to heaters. They should be examined often. See that the hose is tightly connected and does not leak. Always turn the gas off at the wall before retiring. NEVER shut it off at the heater. The hose may leak and fill the house with gas besides catch fire! It might suffocate the family.

### ONE INJURED WHEN CARS COLLIDE

A collision between two cars on West Sierra Madre blvd., Tuesday morning resulted in a riot injury to Stanley C. Coumbe, 521 Alta Vista Drive. Mr. Coumbe and Raymond Leach, employee of Central Garage, were both traveling west on the boulevard, when Leach, ahead of the other car, started to make a right hand turn into the driveway at 647 West Sierra Madre blvd. The cars crashed and Mr. Coumbe was treated by Dr. M. H. A. Peterson. Leach was not injured.

Leach was arrested for failure to signal the car behind and was fined \$25 by Judge Tom Neale Wednesday morning, \$20 of which was suspended.

Police Chief McMillan wants to remind Sierra Madreans that his department will investigate all accidents and wherever it is shown that a violation of the motor vehicle code occurred, the violator will be prosecuted.

### GIRL SCOUTS OCCUPY NEW CLUB ROOM

Sierra Madre Girl Scouts are enthusiastic over their clubroom at the Congregational Church. For some time they have had to share a room with other groups, but now they have their own quarters. At the January 18 meeting, business was cut short and the remainder of the period devoted to "cleaning up" the room. Windows were washed and woodwork polished. Future plans for the clubroom include making curtains and pillows, under the direction of Mrs. R. E. Parmenter, leader.

### WELCOME NEWCOMERS

The following newcomers were welcomed to Sierra Madre this week: C. D. Northrup, 485 East Highland; Lee Davis, 72 West Montecito; R. C. Anderson, 56 East Sierra Madre blvd.; and Mrs. Ray N. ### GEORGIA SOCIETY SENDS KNIGHT HERE

Capt. C. W. R. Knight, leader of the National Geographic Society, South African Exposition, 1937-38 and world authority on birds of prey, is enroute to the Pacific Coast where he will show exciting new motion pictures of "The Leopard of the Air," otherwise known as the falcon, at the Pasadena Civic Auditorium on February 7.

His motion pictures will show the objective of the recent South African expedition—the filming of the most ferocious of the African eagles, the crowned hawk eagle. But Knight is not only the "eagle man." His new film includes unbelievable, exciting and amusing shots of a great variety of animals and birds.

Following the wedding a reception for 150 guests will be held at the home of the bridegroom, Mrs. Jack Paschall, 310 East Highland avenue.

PRE-WEDDING SHOWER FOR MISS HELEN JACKSON

One of the most delightful events of the present season was a prewedding shower given Monday evening at the Woman's clubhouse by Mrs. C. H. Tugge and Miss Marjorie Bergren in honor of Miss Helen Jackson, popular member of the younger set whose engagement to George Thomas Tyler was announced during the holidays.

Sixty friends of the honoree were present and showered her with miscellaneous gifts which were arranged on four large tables in the tea room. The table was decorated with a profusion of lavender iris. Following opening of the gifts refreshments were served in the dining room at tables decorated with bowls of lavender iris, heather and primroses. Mrs. Tugge and Miss Bergren presided at the tables assisted by Mrs. Robert Newberry.

Miss Jackson was gowned in black Russian crepe and wore a corsage of gardenias and violets. Much gaiety was added to the occasion by a comic wedding ceremony which was performed by Miss Jane Colbert acting as the minister with Vivona Goerger as bride, dressed in a net frock and carrying a vegetable bouquet. Mrs. Richard Morago was groom. Mrs. Edith Gordon, matron of honor and Mrs. Ralph Twedell "best man", Agnes McClellan, flower girl, and Marie Bergren represented Dr. E. L. Jackson.

COLLEGE WOMEN GUESTS OF MRS. W. D. ANDREWS

**EVERYONE** interested in the trend of events—with the growing increase in taxes and the demands for relief, should have heard the address of Rex Thomson, director of county charities department at Wednesday's club meeting.

It was one of the most interesting and informative talks ever delivered before the club, dealing with the biggest public question with which California and particularly Los Angeles county has to deal. A synopsis of Mr. Thomson's talk appears elsewhere.

At the afternoon session Mrs. Lillian Parcell MacAllen, well known in literary circles here, read a group of original poems which were well received, and Mrs. Ruana Lawson of 40 South Hermosa street, a new member of the club, talked on the "Art of Coordination." Mrs. Lawson who was formerly in charge of the exercise department of the Elizabeth Arden Studios on Wilshire blvd. and has trained many of the younger motion picture stars, spoke of the necessity of balance and beauty in order to attain maximum mental and physical efficiency through the conservation of energy. A class under her direction will be formed at the club within a short time.

Mrs. Nell Vieira presented Miss Olive Sedgman in a group of songs and accompanied the singer at the piano.

A future program which is arousing much interest is that to be presented March 7th by Mrs. W. S. Hull who will speak on "Flower Arrangement," illustrating her talk with examples of Victorian, Modern and Japanese arrangements. Mrs. Hull has received instruction in flower arrangement from Miss Clara Cronenwett of Gold Hill, Monrovia, and Miss Akemi Togo of Los Angeles, and is thoroughly conversant with her subject and all of the new trends in floral art. At the afternoon session, Mrs. Hull will present Miss Florence Gilmore, interior decorator, who has chosen for her subject "Color through the Ages."

**Valentine Dance Is Planned By Junior Woman's Club**

A Valentine dance is being planned by the new members of the Junior Woman's Club for Saturday evening, February 11, at the clubhouse. Each year the new girls are given an opportunity to show what they can do in the way of putting on a dance, so under the chairmanship of Mrs. Barbara Heasley, red hearts and cupids will cavort at the clubhouse to the tune of Gordon Shaffer and his orchestra. Hours will be from 9 to 1 o'clock, and the affair will be semi-formal.

**Junior Women See Cosmetics Made**

A trip through a Hollywood cosmetic manufacturing plant was enjoyed by 16 Junior Woman's Club members January 19. The girls were taken through the various building of the makeup company and shown around the laboratories where the preparations are made. Before the Juniors left each was made up and her hair fixed in accordance with the latest fashion. One of the interesting sights was watching wigs being made for the movie, "Gone With the Wind."

Those who made the trip were Mmes. Grace Hazelton, Jane McElwain, Myrna Cant, Mary Schwartz, Nita Tweedell, Melba Seifert; and the Misses Dorothy Walsworth, Muriel Tarr, Frances Olds, Mary Frances Brain, Lorraine Fetzel, Frances LaLone, Alice LaLone, Bud Doty, Adele Doty and Evelyn Solury.
